

# **AIR LIQUIDE PHILIPPINES, INC.**

## **QUALITY POLICY**

**We, at Air Liquide Philippines, Inc. are committed to continuously serve and provide our customers quality Industrial, Special Gases and Medical gases and value added services in order to satisfy their needs and requirements for competitive prices, on-time delivery, and conformance to contractual specifications.**

**We believe in the achievement of our customers' satisfaction through the implementation and maintenance of a TOTAL QUALITY SYSTEM in our organization. For us, this means:**

- ◆ The fulfillment of our customers and stakeholders requirements to ensure their confidence and to establish a long term business relationship;**
- ◆ Our active involvement in complying to the requirements of ISO 9001:2015 standards at all times;**
- ◆ The continuous improvement in our Quality System's effectiveness and employee training and development as a means of achieving our best in terms of efficiency and competitiveness;**
- ◆ The establishment and periodic review of our Quality Objectives;**
- ◆ A strong commitment from all employees;**
- ◆ The full conformance with HSE requirements and ALPI Code of Conduct**
